

## Store Contact Information

Customer Services - 2023-11-16 - Stores

If you have a question about piercings that cannot be found in our piercing section then please direct them to the nearest Blue Banana Store. Please note that our Customer Service team are not trained piercers so cannot advise on anything piercing-related. If you submit a piercing question then please know that our team will direct you toward the store contact information.

If you are looking to contact one of our stores, please find all contact information below:
