I have a question about Gift Cards.

Customer Services - 2023-04-13 - General

At Blue Banana, we offer **store** gift cards and **online** gift certificates to be used on our website.

Store gift cards can often be used for piercings; however, this is decided by the store itself.

Please get in touch with your local Blue Banana store to ask about gift cards for piercings.

You can contact them [here](#).
