

Do I Need To Book For a Piercing?

Customer Services - 2023-04-13 - Piercing

No. Our stores operate a walk-in system so no booking is needed.

We do not have a booking system for piercings. It works on a first come, first serve basis. When you visit the store, a member of the team will book you in. If it is busy then you may be asked to wait and come back later.

If you have any questions about piercings then please contact the store directly as we are not best placed to give piercing advice or answer queries. If you ask us about anything piercing-related we will refer you to the store.
